Michigan. Michigan School for the Deaf, at Flint. Biennial reports of the board of trustees and officers to the governor of the State. 2.-26., 1854-5 to 1903-4. 8°. Lansing, 1857-1904.

The original institution at Flint included the insane, the deaf and dumb, and the blind. In 1857 the insane were committed to the charge of a separate board of trustees until its organization as the Michigan Asylum for the Insane, at Kalamazoo, in 1859. By act No. 250 of 1879 a separate school for the blind was established at Lansing, and opened Sept. 29, 1880. Changes in title: 1. From 1854 to 1857 called Michigan State Asylum for the Insane and for the Deaf and Dumb and the Blind. 2. From 1858 to 1868, Michigan Asylum for the Education of the Deaf and Dumb and the Blind. 3. From 1869 to 1880, Michigan Institution for the Education of the Deaf and Dumb and the Blind. 4. From 1880 to 1886, Michigan Institution for the Education of the Deaf and Dumb. 5. The present title was adopted in 1887.

Miss Bagster's lunacy case. The extraordinary and interesting trial of Mrs. Newton, alias Miss Bagster (who ran away from the Zoological Gardens to Gretna Green), in a commission of lunacy, held at the court of King's Bench, Westminster, including the evidence of the numerous witnesses. Opinions and examinations of Drs. Root, Haslam, Morrison, Munro, Sutherland, M'Michael, Sir George Tuthill, and others, generally denominated mad-doctors; the whole of her own really affecting examination; the able speeches of Messrs. Pollock, Follett, Law, and Kelly, counsellors for and against the petition, and the verdict of the jury. The whole authentically reported and arranged by an observer in court. 44 pp. 8°. *London*, *W. Chubb*, 1832.
